

### 3 MONTHS ARTIST STUDIO INTERNSHIP (PRAKTIKUM) IN BERLIN

[Studio Alona Rodeh](#) (Berlin Mitte/Wedding) is offering an internship position for a design or art student. The internship is open to students who are eligible to receive course credit for their work experience through a certified educational institution. This must be arranged by the student and their institution. The studio provides letters of confirmation or will assist with any necessary information. The internship is not paid and lasts a period of 3 months. Lunch is on us!

#### REQUIREMENTS

- Fluent in English
- Pursuing a degree in art / architecture / design
- Available at least 15 hours per week
- Comfortable with Photoshop, Illustrator, Indesign
- Comfortable with basic hand tools
- Motivated and self-organized, energetic and curious in nature

#### BENEFICIAL

- Fluent in German
- Previous experience in construction, sculpture
- Experience in welding metal, wood work
- Knowledge of any 3D and rendering softwares
- Experience with DIY robotics, engines, hacking, programming Arduino and such
- Knowledge in electricity, and LED lights in particular

The internship can be different in character, depending on the intern's skills and background. It can include either or:

- Physical construction work
- Assisting studio management team in diverse daily operations such as digital archiving, putting applications together, running errands, packing and handling artworks, online research
- Working on laser, CNC, 3d printing, vinyl cutter machines
- Working on electric circuits, soldering (Arduino, dmx, DIY systems)

#### APPLICATION

Please send your CV and work samples to [info@alonarodeh.com](mailto:info@alonarodeh.com) as a single pdf, 10 pages max in total. Be sure to check the artist's website to decide on the relevance of this position for yourself!
